

Credit Security Plan™

It's about *more* than just insurance.

It's about helping protect the people you love.

Your home may be your greatest asset, but at the end of the day, the most important thing in life is family. With the rise of illness,^{1,2} household debt at an all-time high² and Canadians carrying bigger mortgages,³ financial protection is more important today than ever. That's why Manulife Credit Security Plan™ (CSP) was created.

Manulife Credit Security Plan is optional life and disability insurance coverage that's here for you and your family if the unexpected happens. It can help ensure your mortgage payments are made and your loved ones are taken care of.

Canadians will develop cancer in their lifetime. Cancer can affect people of all ages.¹

1 in 3

Canadians will be disabled for 90 days or more before age 65.⁴

75%

of Canadian households would have difficulty paying everyday living expenses (like mortgage and housing costs) if the primary wage earner were to pass away.⁵

There's no better time to protect your loved ones than now. Here's why:

Your coverage can start immediately

Once your mortgage is funded, you can be covered while your application is being reviewed.

There's a payment option to fit every budget

CSP Insurance offers a variety of payment options including monthly, semi-monthly and biweekly. Look at the quote section on the application form to confirm which premium payment frequency is quoted.

60-day money-back guarantee

If you apply and change your mind within the first 60 days, you will be given your money back. That means that you can have coverage in place while you review your financial plan in greater detail.

We say YES to every eligible applicant

No matter what, every eligible applicant will be approved for some kind of coverage. If you don't qualify for full life and/or disability coverage, we can provide accidental death and accidental disability at a reduced premium.* You may accept this coverage by continuing to pay premiums for 60 days.

Simple, convenient protection

When you apply, you will be asked questions about your health over the phone. Based on your answers, tests may be required. The results will determine your coverage and premiums. However, if the telephone interview or any applicable tests are not completed within 30 days, we will only provide coverage in case of accidents.

Apply today and help protect the people you love.

Credit Security Plan™ (CSP) insurance is optional Life and Disability insurance to suit your needs.

Life Protection	Total Disability Protection
<p>CSP Life insurance pays off or reduces your mortgage balance.</p> <p>Your life benefit is calculated based on a traditional mortgage that steadily declines as you regularly pay principal and interest. This benefit covers your debt up to the amount that would have been owing under a traditional mortgage. If you only insure part of your mortgage, or your mortgage is not declining every month (e.g. line of credit), or you borrow more money, or the amortization period is extended; then this insurance may only cover part of your debt.</p> <p>As a unique feature, we provide Life Bridge Benefits, which covers your mortgage payments while we review your claim⁶.</p>	<p>CSP Disability insurance pays your share of the mortgage monthly payment if you are Totally Disabled⁷ for at least 60 days.</p> <p>Your disability benefit will equal your share of the Initial Mortgage payment selected on your application. No benefit is paid for the 60-day qualification period or during any regular seasonal layoff if you're seasonally employed. In some cases, your disability benefit may be less than your actual monthly payment. For example, if you have joint coverage and your share of the benefit is 50%.</p> <p>As a unique feature, we provide one extra disability benefit payment after you get back to work.</p>

You are eligible to apply if you're a Canadian resident between 18 and 64 years old and are a borrower, co-borrower or guarantor on a residential mortgage.

General Exclusions	Additional Disability Exclusions
<p>Your insurance benefit will not be paid if death or disability is associated with:</p> <ul style="list-style-type: none">• suicide, attempted suicide or self-inflicted injury within 2 years of the coverage start date;• committing or provoking a criminal offence including assault or driving while impaired (whether or not you are charged);• any act of war or insurrection, unless you are a member of the Canadian Armed Forces or Canadian Forces Reserve;• alcohol abuse or drug use that is not in strict accordance with a Physician's prescription;• any other exclusion outlined in your Certificate.	<p>Your insurance benefit will not be paid if disability is associated with:</p> <ul style="list-style-type: none">• any exclusions listed under General Exclusions;• normal pregnancy or childbirth;• cosmetic or elective surgery; or• a pre-existing condition which results in your disability at any time before the first anniversary from the date coverage starts. "Pre-existing condition" means any medical condition, sign, symptom, illness or disease diagnosed or undiagnosed for which you consulted a Physician or for which you received medical advice or treatment in the 12 months prior to the date coverage starts.

If you only qualify for accidental coverage, for benefits to be payable the death or disability must be caused solely and directly by an accident while the coverage is in force and the death or disability must happen within one year of the accident.

Maximum Coverage

Manulife will insure up to \$1 million per person for Life insurance and \$10,000 per month for Disability insurance for a maximum of 24 months under all CSP insurance and Mortgage Protection Plan® (MPP) insurance combined. In addition, Maximum Coverage is subject to the Overall Benefit Maximum on the next page.

⁶ Restrictions apply if your debt balance is not declining every month or if the life insurance doesn't cover the whole debt.

⁷ If you work at least 20 hours per week for at least 40 weeks in the 12 months before you become disabled, or if you are seasonally employed and work at least 20 hours per week for 13 consecutive weeks in that period, then you are totally disabled if you can't perform the essential duties of your normal job due to illness or injury. Important information about this mortgage protection insurance

This brochure is a summary, not a contract.

This brochure is designed to outline the benefits for which you may be eligible and does not create any contractual or other rights. All of your rights and benefits will be governed solely by the Certificate we issue to you and the Group Policy issued to your mortgage lender.

Please Check Your Coverage

When we receive your application, you will be sent a copy of your Certificate of Insurance ("Certificate"). The Certificate sets out the terms of your insurance coverage and may include a notice of conditional coverage. We encourage you to read this document carefully. If you are not approved for the coverage you have requested, you will be notified. If you provide incomplete or inaccurate information including information about your health or smoking status, then your insurance may be void and no benefits may be paid. If you were not eligible to apply, then your insurance will be void.

Changes to Your Mortgage

It is important to tell us when there are changes to your mortgage as this may impact your coverage. If you change lenders or pay off your mortgage and do not replace it with a new one, then your coverage ends, and you must notify us so we stop collecting premiums. If you make a significant change to your mortgage, you will not be insured for the full amount you owe. You can apply for an increase in coverage to address changes to your mortgage. New terms and conditions may apply to your new coverage.

Overall Benefit Maximum

We will never pay more than the debt owing. If more than one person is insured with respect to your debt and two or more die or are totally disabled at the same time, the total share of benefit shall never exceed the Maximum Benefit. If the mortgage debt on your application for new CSP insurance coverage is more than the Benefit Maximum, your new CSP insurance coverage will be reduced so the maximum isn't exceeded.

Existing Clients

If you already have CSP or MPP insurance and you submit a new application, you will be contacted to confirm that you have adequate protection for your mortgage. If you can't be reached, the new application will be processed as new coverage for a separate mortgage. Also, clients who are eligible may apply for additional insurance to cover any increase on your mortgage amount or in your monthly mortgage payment or if your amortization period is extended.

For refinance applications with existing Life insurance under Group Policy GC 327-FN, you have the right to keep your previous insurance under the terms applicable to the original application if your new application is not approved for Life coverage.

Lines of Credit

If you have a line of credit that doesn't have a fixed term and/or amortization period, then we will put an amortization period of 300 months (i.e. the longest we will insure) and/or term of 60 months. The "Debt Balance" shown on the application is the initial life insurance amount we use to calculate benefits as described on the previous page under "Life Protection" and can be any amount up to your credit limit. Remember your life benefit goes down over time based on a traditional mortgage amortization.

Role of your Lender

Your Lender is the group policyholder for this CSP insurance coverage and receives remuneration for providing administrative duties such as providing you with this insurance information. Third party administrators acting on behalf of your mortgage lender, such as Broker Support Centre Inc., may receive remuneration for providing administrative duties.
