PREPAYMENT PRIVILEGES- 15% / PLUS 15% / DOUBLE-UP

The Mortgagor, when not in default of any terms or conditions contained in the Mortgage, may do one or more of the following.

- (a) Without notice or charge, in any year of the Term, make, on any regular payment date (a "**Payment Date**"), prepayments of principal in minimum \$100.00 increments which do not exceed in the aggregate in that year fifteen percent (15%) of the original Principal Amount of the Mortgage. A prepayment received after a Payment Date will be applied on the next Payment Date following receipt of the prepayment. If not, or to the extent not, exercised in any year of the Term, this privilege is not cumulative from year to year. This privilege does not apply in the case of a prepayment of the entire amount owing pursuant to subsection (d) of this section.
- (b) Without notice or charge, once only in any year of the Term, on any Payment Date, increase the amount of the regular instalment payment of principal and interest by up to fifteen percent (15%) of the then current principal and interest instalment amount payable under this Mortgage. Such increase shall commence on the Payment Date specified by the Mortgagor and shall apply to all subsequent instalment payments. If not, or to the extent not, exercised in any particular year, this privilege is not cumulative from year to year. This privilege may not be combined with a prepayment of the entire amount owing pursuant to subsection (d) of this section.
- (c) Without notice or charge, on any Payment Date during the Term, make a prepayment of principal equal to, but not less than, the regular instalment of principal and interest then being paid by the Mortgagor. This privilege, if not exercised on a particular Payment Date, is not cumulative from Payment Date to Payment Date, and may not be combined with a prepayment of the entire amount owing pursuant to subsection (d) of this section.
- (d) At any time prior to the maturity of the Term of the Mortgage, prepay the whole of the Indebtedness then outstanding, without notice, upon payment to the Mortgagee of the greater of:
 - (i) three (3) months interest at the Interest Rate on the Principal Amount outstanding;
 - (ii) the amount, if any, by which interest at the Interest Rate exceeds interest at the Mortgagee's then current interest rate for reinvestment calculated on the Principal Amount outstanding. Such amount shall be calculated from the date of prepayment to the maturity date of the Mortgage; and
 - (iii) 3.000 % of the Principal Amount outstanding.For the purposes of this subsection, the "Mortgagee's then current interest rate for reinvestment" shall mean the Mortgagee's lowest advertised interest rate (which may not be its "posted" rate) in effect on the prepayment date for a mortgage product of a similar kind for a term not greater than the remaining Term of the Mortgage and not less than the next shorter term offered by the Mortgagee; except that where the remainder of the Term of the Mortgage is less than the shortest term offered, the Mortgagee's interest rate for its shortest term for such mortgage product shall apply.
- (e) Notwithstanding subsection (d), if the Term (not inclusive of any renewals) is longer than 5 years and the Mortgagor is an individual, then at any time after the first 5 years of the Term the Mortgagor may prepay the whole of the Indebtedness then outstanding, without notice, upon payment to the Mortgagee of three (3) months interest at the Interest Rate on the amount prepaid.

Notwithstanding any prepayment on account of any portion of the Principal Amount, and subject to subsection (b) of this section, the regular blended payment instalment originally set out in this Mortgage shall continue to be payable on each Payment Date as set out in the Mortgage for so long as there is any Indebtedness outstanding under the Mortgage.

This Mortgage is not assumable and may not be transferred to another mortgagor or borrower or to a purchaser or transferee of the Property. For clarity, the first paragraph (Requirements for Assumption) of Section 15 and all other references to the assumability of the Mortgage in the Standard Mortgage Terms attached to this Mortgage are not applicable.

Portability of this Mortgage is subject to payment to the Mortgagee of the amount described in subsection (d) of this Section and all other terms to portability set out in the Mortgage.

If the Mortgagor requests an increase in the principal amount of this Mortgage and such increase is approved by the Mortgagee in its sole discretion, such approval will be subject to payment to the Mortgagee of the amount described in subsection (d) of this Section.

RENEWAL AT MATURITY

Shortly before the end of the Term or any renewed or extended term, the Mortgagee may provide the Mortgagor with an offer to renew the Term. If such an offer is provided, and if the Mortgagor has not either (i) paid out the then outstanding Indebtedness by the end of the Term or renewed or extended term as the case may be, or (ii) agreed with the Mortgagee to renew the Term in accordance with the offer to renew, then the Mortgagor agrees that the Mortgage will be renewed for a six month term at the interest rate then being offered by the Mortgagee to similar mortgagors on similar properties in similar circumstances for a 6 month term fixed rate mortgage which is open for prepayment. The renewal will be effective as of the first day following the last day of the Term or the renewed or extended term as the case may be on the same terms and conditions as set out in this Mortgage, save as specifically amended by this paragraph. The Mortgage will be open for prepayment at any time during such 6 month renewal term without notice or bonus.
